

International Conference on Polymers and Moulds Innovations – PMI2014

University of Minho, Guimarães, Portugal, from 10 to 12 of September 2014

www.pmiconference.eu .

This 6th edition of PMI follows the trend of the previous editions on establishing a forum for academics and specialists from the industry worldwide exchanging the more recent developments in the multidisciplinary area of plastics product and tool development.

Topics of interest for submission include, but are not limited to:

Additive manufacturing

Advanced polymeric composites

Biomedical polymer applications

Developments in polymer processing

Moulds and mould making innovations

New tool materials

Polymer processing simulation

Rapid tooling

Sustainable polymer reprocessing

Trends in product development

IMPORTANT DATES :

Abstract submission

February 10, 2014

Decision about acceptance

February 28, 2014

Paper submission

March 31, 2014

Conference

10 to 12 September 2014

CONTACTS AND ABSTRACT SUBMISSION :☐

António Pontes

Universidade do Minho, Departamento de Engenharia de Polímeros
Campus de Azurém
4800-058 Guimarães, Portugal
